

Dining

Sonoma County is recognized worldwide as a destination for culinary and viticultural excellence. As a result, there is a strong focus here at Enso Village on the pleasures of growing and procuring, preparing and sharing exceptional meals. Our goal? Strive to have a significant portion of our food supply be locally sourced, seasonally varied and organic whenever possible.

Meals at Enso Village are chef-prepared and include:

- Sustainably-driven, farm-to-table cuisine and an abundance of vegetarian options
- Seasonal menus that feature daily specials and locally sourced ingredients
- A flexible dining plan providing each resident with monthly credits at all dining venues
- On-site catering for special events

Experience the culinary delights of our main restaurant. Stop by the Greens-inspired vegetarian bistro. Or take advantage of being a mile away from the finest dining wine country has to offer. Everywhere you turn you'll find foodie-friendly options just outside your front door—and your state-of-the-art kitchen.
