Residence Features

In harmony with its natural surroundings, your home at Enso Village has been designed both to welcome and inspire. Accordingly, each residence is built to meet or exceed strict sustainability standards.

Our spacious contemporary residences will include:

- Thoughtfully designed one-bedroom, one-bedroom plus den, two-bedroom and two-bedroom plus den floor plans
- Balcony or patio
- Generous walk-in closets
- Individually controlled heating and air conditioning
- Internet connectivity throughout your home
- Emergency response system
- Smoke detectors and sprinkler system
- High ceilings, open floor plans and ample natural light

Interior Design Selections:

Your home should be a reflection of who you are. With that in mind, we offer three standard packages specifically created for your selection. Each package has additional options added.

- Hardwood cabinetry with soft-close drawers
- Quartz countertops with select backsplash and trim options
- Wood laminate floor in kitchens
- Carpet in living areas
- All finishes are non-toxic and free of Red List materials
- All appliances meet the most stringent standards for water conservation and energy efficiency

Your home at Enso Village will be in complete balance with you, and the world around you. With contemporary and stylish floor plans, matched with thoughtful and unique finishes, your residence will be as distinctive as you are.

Finishes in residences are subject to change.
